

Step 1: Choose your shape

natural eye

Gentle curve with slightly longer in center.
Great for all eye shapes.

open eye

Longer in center. Great for making eyes
appear bigger and rounder.

cat eye

Sexy look with longer towards outer corners.
Great for almond -shaped eyes. Makes eyes
appear slightly smaller and tends to fall out
faster on outer corners.

doll eye

Also known as the "messy look" and
follows your natural lash pattern.
Is most flattering through the shed cycle and
looks great on most eyes. House favorite!

Step 2: Choose your curl
